Styled for work. Styled for you.

### Accomplish more – in style.

The new Vostro 3000 Series laptop, available in 14" & 15", delivers the right balance of business features and performance for business and working professionals.

This series of essential productivity laptop is powered by an energy efficient, ultra-low voltage Intel® processors with up to 6<sup>th</sup> Generation Core™ i7 performance, delivering up to 9 hours of mobility productivity on the 14" and up to 8 hours and 42 minutes on the 15" with a 4-cell battery.<sup>1</sup>

For more demanding graphics-rich applications or uninterrupted multi-tasking performance, you can opt for the built-in discrete graphics from NVIDIA with up to 2GB<sup>3,4</sup> memory and up to 16GB of high-speed RAM options for a performance boost.

It is available in black or matte metallic red color option, and features a micro-stripe textured cover. Not only does it give the laptop a professional look, the practical design makes it more resistant to scratches from everyday use.

### Features that help you get more done.

The portable Vostro 3000 Series laptop is less than 1" thin and packed with business features to make your work life easier.

Featuring a 14" or 15.6" anti-glare screen with HD resolution, you will appreciate the clarity and reduced reflection when working in different lighting environments. Optional **Intel® Iris™ graphics** deliver advanced performance. Edit photos and videos fast processor graphics and get high-impact visuals.

The Vostro 15 also features a 10-key numeric pad to help you breeze through spreadsheets. And with the spacious palm rest and large multi-touch touch pad, you can type and navigate comfortably throughout your work day.

noise and boosts audio clarity.

The laptop is equipped with a VGA output for you to easily connect with legacy peripherals or projecting your presentations wherever your work takes you.

With up to 1TB<sup>5</sup> of hard drive space, you don't have to worry about running out space for all your presentations, documents and important data.

Three USB ports, a media card reader, with a built-in optical drive give you the flexibility to quickly access the data you need to maximize your productivity.

### Dell service & support. We're here to help.

The Vostro 3000 Series laptop offers a suite of service and support solutions to help minimize your downtime including self-help support that can be conveniently and easily access right from your desktop.

Your investment comes with world-class warranty and Next-Business-Day onsite Service after Remote Diagnosis<sup>6</sup> to help you get right back to work with minimal downtime.
